The People's Christian Fellowship Bible in A Year

**Daily Readings
compiled by Pastor Joseph Daniel**

God bless you all

I have noticed that there is a prevalent increase in people's appetite for knowledge these days. With the power of technology, and the ability to find information at the click of a button, the assumption is that we can keep ourselves informed about almost anything. There is a strong feeling of distrust in our societies, we are not prepared to take as fact information passed on to us by those in authority anymore.

While people are searching for their truth, many are expressing their opinion, but truth can only be found through God's Son Jesus the Christ. As believers, as children of God, It is so important for us to be confident in the word of God which is The Truth (John 17:17).

So we want to be an encouragement to each other this year as we make this commitment, to read the Holy Scriptures in its entirety over the course of the year 2021.

I hasten to add that this should not be seen as a thing to do or another tick off the 'bucket list' exercise, this is an essential life choice to help ensure that in these last and closing days, we all know better the teachings and instruction of God's Word.

Reading through the Bible, enhances our spirit man. There will be challenging periods for sure, but if we allow God to speak to us - even through the repetitious passages of genealogical listings and such - as we read the Bible throughout the year, we will get to understand God and His purpose for His Church.

So may the Lord bless you as we grow together in the knowledge of His Word throughout 2021.

I really am looking forward to seeing the fruit of God's work.

May the Lord bless you always,
Pastor Dave

7 Quick TIPS

1. If you happen to miss, for example, a month of readings, when you get back to reading again don't skip past the passages you missed. Read them and tick them off as you go, then do your best to catch up if its possible.
2. It might be that you are unsuccessful in your attempts to catch up. Don't worry, keep going but most importantly, keep on listening to what God is saying to you through each reading.
3. 1 Chronicles chapters 1-9 is awaiting all of us (LOL). There is nothing wrong with allowing the reader in the Bible Gateway / Bible.com app, to read it for you whilst you listen if that helps ☺.
4. Always ask the Lord for a message for yourself after reading each day, and try to make notes in a journal or even in one of your Bibles. You could use the small space on this sheet, to make note of questions.
5. Look for opportunities where you can put into practice what you have been learning, and for ways to share God's truth with others. Be creative, don't always quote, but try to express God's Truth in a way so that it comes out in your natural conversation.
6. Always pray before reading God's word and commit to setting aside special time for your devotion.
7. This does not have to replace your other daily Bible readings or studies.
