

SPRING INTO ACTION

WORRY LESS AND TRUST GOD MORE

‘The message gets choked out, and they never produce anything.’

Mark 4:19 CEV

In the parable of the sower, Jesus said the seed fell into four kinds of soil. Here is one of them: ‘The seeds that fell among the thornbushes are people who hear the message. But they start worrying about the needs of this life. They are fooled by the desire to get rich and to have all kinds of other things. So, the message gets choked out and they never produce anything’ (18-19 CEV).

Do you remember when you thought your career, the house you live in, and the financial portfolio you acquire would make all your worries disappear? But it doesn’t work that way, does it? The more ‘things’ you have, the more you have to lose, protect, maintain, and be concerned about. Worrying about material things can ‘choke’ the life out of you! Peace and happiness come from trusting God for what you need; knowing if something is right for you, He will provide it, and if it’s not, He will give you something better. An amazing thing happens when you meditate on God’s promises.

Your worries shrink, your mind and attitude are reprogrammed, and you enjoy life more. Jesus said, ‘Seek the Kingdom of God above all else...live righteously, and he will give you everything you need’ (Matthew 6:33 NLT).

So today, put prayer and Bible reading at the top of your to-do list and worry less and trust God more.

Mark 12:29-31

Jesus answered, "The most important is, 'Hear, O Israel: The Lord our God, the Lord is one. 30 And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.'

31 The second is this: 'You shall love your neighbour as yourself.' There is no other commandment greater than these."

HIS GLORY REVEALED - DAY 1 REVISITED

MAY THERE BE A MANIFESTATION OF YOUR GLORY AGAIN

"Then the cloud covered the tent of meeting, and the glory of the LORD filled the tabernacle." Exodus 40:34

It was my first time traveling by airplane, and the destination was to a very hot tropical country. We landed; the doors opened, and two things happened simultaneously. Firstly, a big broad smile plastered itself on my face, and then I was struck by the glorious tropical atmosphere. The heat, the smell, the people, everything was so very different from what I was accustomed to. It would not have been possible for me to imagine, how such an atmosphere could feel like if it had previously been described to me, but it felt great, and I was super happy to be there.

Exodus 40:34 and 1 Kings 8:11, make mention of an unforgettable supernatural occurrence where God's presence is tangibly seen and experienced by everyone present. Whatever duties were on the agenda that day, whatever had been previously planned, everything had to be halted because the atmosphere around the sanctuary had become charged with the glory of God's presence. **And our prayer today is simply this: may there be a manifestation of your glory again.**

We desire to experience God's glory, for His presence displaces the depressive and gloomy atmosphere of fear, doubt, hopelessness, confusion, worry, hurt, lack and so much more. We desire that He warm our hearts with faith, with the hope of His continuing attention, love, and care. Today we pray that there may be a manifestation of His glory again.
