SPRING INTO ACTION

February 2024

Season of Lent

Lent this year is Wednesday 14 February to
Thursday 28 March. Lent is the 6 week
period leading up to Easter – the most
important time for Christians. This is a time
of great anticipation in preparation of
celebration of the death and resurrection of
our LORD.

WHAT NEXT?

“Being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.” Philippians 1 v. 6

PCF has just gone through a period of fasting which many have testified of the way they have experienced God working in their life in so many great ways. Others are seeing their walk with God in a new light, new attitudes with focus on a deeper reliance on the Holy Spirit. Fasting is invaluable for us as believers because it strips all of the stuff around us like distractions taking up our time as opposed to time with God, unhealthy and unspiritual conversations. Fasting turns your focus to things pertaining to our Lord.

Now we are into the second month of the year, if you were able to fast and now finished, you're probably still basking in those miracles, revelations, and visions the Lord revealed throughout the time of fasting. You may also find yourself uninterested in food like you did before the fast (whilst not Biblical you may well be happy about this). We are reminded

that this is the life God has called us into and not just to experience during periods of fasting.

Your encouragement this month is to write down the changes you made at the start of the fast and continued to day 21. Let us together make those changes permanent in our lives. You know what changes you made and now you can see the spiritual benefits. Don't let them fizzle out of your memory and out of your life forever. The enemy will want you to seamlessly drift into complacency and you won't even realise the change. Let us move forward in this vain together. Share the changes you wrote down with a friend so you are accountable to someone.

We are reminded from one of the daily devotions that now is not the time to slack, no, 2024 is the year of being watchful and staying alert.
